Re: Deposit Account No. 02-2275

Sir:

The undersigned acknowledges receipt of the March 29, 2002 statement for the above account. It should be noted that the Patent Office failed to credit the account for \$5,000.00 submitted on March 25, 2002. Therefore, it is requested that the account be credited for the \$5,000.00 payment a copy of which is enclosed herewith for the Patent Office's convenience and the removal of the \$25.00 services charge therefrom since the deposit account was not overdrawn.

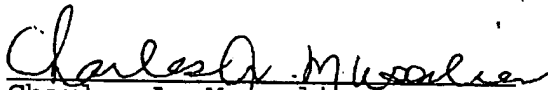

Also in the statement on March 6, 2002 under Control Nos. 2, 6, 11 and 18, under fee code No. 118, there was a charge of \$785.00 in each of design applications Serial Nos. 29/143,297; 29/142,299; 29/143,300 and 29/143,298. This was an incorrect charge since Applicants submitted with each order PTO Form-2038 in the amount of \$785.00 for the completion of the application and the \$720.00

extension fee. A copy of the various forms are enclosed herewith for the Patent Office's convenience. Therefore, the account should be credited.

On March 8, 2002 under Control No. 122 and No. 124, there was a charge under fee code 102 and 103 for U.S. patent application Serial No. 10/086,206 for two additional claims in excess of 20 and one independent claim. This was an improper charge since with the filing of the application, there were 28 claims with an excess of 8 and \$144.00 was submitted for the same and there were 2 excess independent claims for which \$168.00 was submitted as can be seen from the copy of the first page of the transmittal letter and PTO Form-2038 submitted herewith and the total of \$1,052.00 was paid as can be seen the copy of the aforesaid form submitted herewith. Therefore, the correct fee was submitted and it is requested that the account be credited for \$108.00 for the excess charges.

With best wishes, we are,

Yours very truly,  
Bierman, Muserlian and Lucas
